IMPORT DUTY CUT

Pass on edible oil price benefit to consumers: Centre to states

PRESS TRUST OF INDIA New Delhi, October 14

RETAIL EDIBLE OIL prices are expected to decline by approximately ₹15-20 per kg post import duty cut, the Centre said on Thursday and directed eight major producing states to ensure this benefit is passed on to consumers, providing relief during the festival season. On Wednesday, the govern-

ment scrapped basic customs duty on crude varieties of palm, sunflower and soyabean oils as well as cut duties on refined edible oils to ease retail prices of cooking oils, it said. "This step (import duty cut

on edible oils) of the Government of India may cool down the domestic prices of edible oils in India. This will benefit the consumers by ₹15 to 20 per kg of edible oils," the food ministry said in a statement.

The directive has been issued to Rajasthan, Madhya Pradesh, Maharashtra, Gujarat, **Uttar Pradesh, West** Bengal, Tamil Nadu and **Andhra Pradesh**

To ensure this benefit is passed on to consumers, the ministry has written to all major edible oil producing states to take "appropriate and immediate action" to ensure prices of edible oils are brought down to commensurate levels in line with the import duty reductions.

The directive has been issued to Rajasthan, Madhya Pradesh, Maharashtra, Gujarat, Uttar Pradesh, West Bengal, Tamil Nadu and Andhra Pradesh.

"...the state government has

to now ensure that full benefit of duty reduction made by the Centre is passed on to the consumers in order to provide immediate relief from the prevailing high prices of edible oils, especially during the ensuing festival season," it added.

According to the ministry this would also help bring down food inflation.

Post reduction, the effective customs duty on crude palm oil stands at 8.25%, while on crude soyabean oil and crude sunflower oil is 5.5%. Earlier, the effective duty on these three crude items was 24.75%

The cut in import duty and cess, effective from October 14 will remain in force till March 31, 2022. Agri infrastructure development cess has also been reduced on crude palm oil, crude soyabean oil and crude sunflower oil.

Petrol, diesel prices increased again

PRESS TRUST OF INDIA New Delhi, October 14

AFTER TWO DAYS of lull, petrol and diesel price on Thursday was again hiked by 35 paise per litre, sending retail pump prices to their highest ever level across the country. The price of petrol in

Delhi rose to its highest-ever level of ₹104.79 a litre,

while it reached ₹110.75 per litre in Mumbai, according to a price notification of state-owned fuel retailers. In Mumbai, diesel now comes for ₹101.40 a litre; while in Delhi, it costs ₹93.52.

This is the 13th time that petrol price has been hiked in two weeks while diesel rates have gone up on 16 times in three weeks.

There was no change in rates on October 12 and 13.

While petrol price in most of the country is already above ₹100-a-litre mark, diesel rates have crossed that level in a dozen states including Madhya Pradesh, Rajasthan, Odisha, Andhra Pradesh, Telangana, Gujarat, Maharashtra Chattisgarh, Bihar, Kerala,

Karnataka and Leh.

Centre for Legal Policy said.

The Act was enacted more than a decade ago when the digital payments market in India was at its nascent stage and the law was primarily enacted to regulate payment systems from a systemic perspective and to confer the RBI with necessary powers to regulate these systems, it said.

While the RBI has time and again sought to address the existing gaps in the primary law through directions issued from time to time, this may not be the

optimal regulatory or policy response, it said.

Such

approach is also not in line with the international best practices where several countries have, along with policy interventions, undertaken efforts to modernise their payments law to adapt to the rapidly evolving

industry, it said. The report recommended that India needs to reassess the PSS Act taking into account the developments in the retail payments sector since its enactment and the future of digital payments.
