Notes :

- The above audited financial results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 04 May 2017.
- The joint Statutory Auditors have carried out the audit of the above audited financial results and have issued an unqualified opinion thereon.
- In accordance with the requirements of IRDAI, the Company, together with other Insurance Companies, participates in the Terrorism Pool. This Pool is managed by the General Insurance Corporation of India ("GIC"). The Company has been accumulating terrorism risk premium retroceded from the pool as reserve for unexpired risk on a conservative basis. With the objective to reflect the financial performance of the Company more appropriately, the Company has changed its existing accounting policy in this respect based on the past claim experience. Accordingly, the Company has carried forward 100% of terrorism risk premium (net of claims and expenses) retroceded to the company during the year to the subsequent accounting period as reserve for unexpired risk and recognized the balance accumulated premium in the Revenue A/c during the year. Had the company continued with the previous policy, the profit before tax for the year ended 31st March 2017 would have been lower by Rs 563 lakhs.
- Previous period figures are re-grouped/re-classified wherever necessary to conform to current period classification.
