

3 arhtiyas booked for abetting suicide

OUR CORRESPONDENT

FATEHGARH SAHIB, AUGUST 5 Three commission agents (arhtiyas) were booked today under Sections 306 and 34 of the IPC for abetting the suicide of Charnathal Kalan village resident Devinder Singh, even as the complainant, Harnek Singh, told the police that Devinder was not a farmer. Harnek claimed that the arhtiyas had taken money from the victim on the pretext of getting him a job. Devinder was under stress as the agents — Jaspal Singh, Harjeet Singh and Supinder Singh — were neither refunding the money nor providing him employment, the complainant added. The 32-year-old had hanged himself from a ceiling fan at home on Thursday.

Varinder Jit Singh Thind, DSP, said Harnek, a resident of Bhal Majra, had earlier lodged complaints on behalf of the family in connection with the suicides of Devinder's father and brother. He said the family endorsed Harnek's latest statement to the police. "This is no longer a farmer suicide case," the DSP added. Jaspal is already in jail after being booked for abetting the suicide of Devinder's father Gurlabh Singh, while Harjeet and Supinder are on the run. Deputy Commissioner Kanwalpreet Brar said Devinder's case would be discussed during the August 7 meeting of the district-level committee formed to provide relief to the families of farmers taking the extreme step.

TWO DEBT-RIDDEN FARMERS END LIVES

Sangrur: An indebted farmer allegedly committed suicide by consuming a poison at his home on Friday. The police said Sadhu Singh (45) of Adakwas village had failed to pay off his debts despite selling his land. "My father had taken land on lease recently," said Dalvir Singh, son of the deceased. The family did not specify the loan amount. TWS

Tarn Taran: Jagir Singh (55), a debt-ridden farmer of Machhike village, died at hospital here on Friday, five days after he had consumed poison. Jagir, who owned 1 acre, owed ₹90,000 to a bank. His daughter's marriage is fixed for November. oc

5 cops extort ₹8 lakh from peddler, nabbed

Sell seized heroin | Sub-Inspector among accused

TRIBUNE NEWS SERVICE

CHANDIGARH, AUGUST 5 The Special Task Force (STF) today arrested five policemen, including a Sub-Inspector, for allegedly extorting Rs 8 lakh and 300 gm of heroin from a drug trafficker by posing as STF officials in Lalru. All five were posted with the Counter Intelligence wing. Harpreet Singh Sidhu, STF chief, said the policemen, including Sub-Inspector Sushil Kumar and constable Gagandeep Singh, posted in Mansa, and head constable Jarnail Singh and constable Harjit Singh, posted in Muktsar, went to Lalru without informing their seniors. They used their private cars with fake number plates. They intercepted drug trafficker Narinder Singh's vehicle in Lalru

COP-PEDDLER NEXUS

In June, the STF arrested Inspector Inderjit Singh for providing protection to drug smugglers and facilitating trafficking of narcotics through his associates. At least 4 kg heroin, 3 kg smack, 9 mm pistol, live cartridges and ₹16.5 lakh cash were recovered from his house

Another cop, Assistant Sub-Inspector Ajai Singh was arrested from Kapurthala. He worked as Inderjit Singh's accomplice. Some drugs, a foreign-made pistol and five cartridges were recovered from him

In Moga, head constable Surjit Singh was arrested with 250 gm of heroin. An AK-47 rifle, eight magazines, one machine gun and 62 cartridges were also recovered from him

posing as a team of the STF Fazilka unit. The STF chief said the cops took heroin from the accused and then extorted Rs 8 lakh by forcing him to call his friend in Chandigarh. They later released the drug peddler. The five policemen were accompanied by three others — Gagandeep Singh Mann of Kharar, Sukhpreet Singh alias Harry of Bathinda and Vakil Singh alias Kala sarpanch of Muktsar. Sidhu said a case had been registered against the erring cops. During interrogation, they admitted that they had sold some quantity of heroin. He said Narinder Singh was involved in NDPS cases earlier as well. On July 31, he was nabbed by the STF, SAS Nagar. In this case, 550 gm of heroin, Rs 4 lakh and an SUV was seized from him.

8 more lose braids in Muktsar district

ARCHIT WATTS TRIBUNE NEWS SERVICE

MUKTSAR, AUGUST 5 Fear gripped rural areas of the district as a number of instances of braid cutting are being reported daily. While the rural populace is blaming some "ghost or spirit", the police and district administration are so far clueless. At least 10 such incidents have been reported in the district so far, with eight taking place today. Nathu, a 45-year-old woman from Chaurha village, is among the latest victims. Her family alleged that when she woke up this morning, she was not in her senses and her braid was found chopped. At Tarmala village, 17-year-old Sarbjit Kaur's braid was allegedly cut during the day when she was sleeping in her house. Similarly, 22-year-old Harpreet Kaur of Bhitwala village found her braid chopped this afternoon. She too was sleeping at the time when the alleged incident took place.

Another victim, Raman-deep Kaur (35) of Gidderbaha claimed that her braid was cut at midnight when she was sleeping along side her husband and the room was bolted from inside. Similarly, 18-year-old Sonam of Gidderbaha alleged that her braid was cut in the wee hours and she fainted after seeing a moving shadow. Further, 63-year-old Karamjit Kaur from Bharu village claimed that she was walking on the road when she felt as if someone pushed her. "When I returned home, my family members found my hair chopped," she said. A similar incident was reported in this village on Thursday. Besides, two women from Hargobind Nagar of Muktsar town alleged that someone tried to cut their braid. Meanwhile, the residents have started practicing exorcism with the help of local godmen to ward off "evil spirits". A police officer said that it seemed to be a mischief being played by some persons.

FORM PAS - 1
[Pursuant to Section 27(1) and Rule 7(2) of Companies (Prospectus and Allotment of Securities) Rules, 2014]
Advertisement giving details of Notice of Special Resolution for altering the objects for which the Prospectus was issued

PUBLIC NOTICE
Notice is hereby given that by a resolution dated 31st July, 2017, the Board of Directors of Inox Wind Limited ('the Company') has proposed to vary the Objects of the Issue referred to in the Prospectus dated 25th March, 2015 issued in connection with Public Issue of 31,918,226 equity shares of face value of Rs.10 each for cash at a price of Rs. 325 per equity share (including a share premium of Rs. 315 per equity share) consisting of fresh issue of 21,918,226 equity shares of the Company aggregating to Rs. 7,000 million (Fresh Issue) and an Offer for Sale of 10,000,000 equity shares by Gujarat Fluorochemicals Limited (Promoter and the Selling Shareholder) aggregating to Rs 3205.27 million (hereinafter referred to as IPO).

In pursuance of the said resolution, further notice is given that for approving the said proposition, a Special Resolution is to be passed by Postal Ballot. The details regarding such variation/alteration are as follows-

- 1) Particulars of the terms of the objects to be altered - The Company intends to deploy the unutilised amount of Net Proceeds of IPO aggregating to Rs. 1,715.60 million [comprising of Rs. 1049.32 million (allocated against the expansion and up-gradation of existing manufacturing facilities), Rs. 615.23 million (allocated against Investment in subsidiary, IWISL, for the purpose of development of power evacuation infrastructure and other infrastructure development) and Rs. 51.05 million (allocated against Issue related expenses)] towards long term working capital requirements of the Company.
2) Particulars of the proposed variation/alteration - The Company proposes to utilize an unutilized amount of Rs. 1,715.60 million of the Net Proceeds of IPO to fund its long term working capital requirements during the Financial Year 2017-18.
3) Reasons/justification for the variation
The reasons for not utilizing the Net Proceeds of IPO fully in the Objects of the Issue mentioned in the Prospectus:
i. Expansion and up-gradation of existing manufacturing facilities
The Company at the time of IPO had envisaged increasing its manufacturing capacity through expansion and upgradation of its existing manufacturing facilities situated at Rohika and Una and had apportioned Rs. 1,474.80 million for the same. However, subsequently in order to achieve certain cost and tax efficiencies, the Company decided to set up a new manufacturing facility for manufacture of key components of the Wind Turbine Generators namely Towers, Blades, Nacelles and Hubs along with associated and ancillary components at another place viz. at Barwani village, Madhya Pradesh. The funds requirements of new manufacturing facility were met from the term loans and internal accruals of the Company. In view of the increased capacity by way of setting up of new manufacturing facility at Barwani village, the Company did not fully undertake expansion and up-gradation of its existing manufacturing facilities and the Net Proceeds of IPO were not fully utilized.

ii. Investment in subsidiary, Inox Wind Infrastructure Services Limited (IWISL), for the purpose of development of power evacuation infrastructure and other infrastructure development
The Company had planned to make investment in its wholly owned subsidiary, Inox Wind Infrastructure Services Limited for development of various Wind Sites in the State of Rajasthan, Andhra Pradesh, Madhya Pradesh and Gujarat for setting wind farms. However, due to various external factors beyond the control of the company, including, prevailing business conditions, change in state wind policies by the concerned State Governments, different wind patterns at sites, non availability of sites at reasonable terms, title defects, all the wind farm project sites, as were mentioned in the Prospectus could not be developed. Thus, the Company was not able to invest fully in its wholly owned subsidiary as envisaged at the time of IPO.
iii. Issue related expenses
The issue related expenses that were estimated to be apportioned to the Company were Rs.373.27 million, subject to finalization of the basis of allotment, as envisaged at the time of IPO. On finalization of basis of allotment, the issue related expenses actually incurred by the Company were Rs.322.22 million as against estimated amount of Rs.373.27 million.
The justification for the proposed variation in the Objects of the Issue - To meet the long term working capital requirements of the Company
Under the earlier feed-in-tariffs regime which prevailed upto March 2017, State Governments specified fixed feed-in-tariffs for wind power, which varied from period to period. These feed-in tariffs were often announced after a considerable part of the year was over. Factors including uncertainty in the structure and amount of tariffs due to such late announcement of state wind policies, change of government policies relating to wind power projects caused considerable delay in IPPs finalizing their investment decision in wind power projects and also in getting financial closure for the same. This led to higher working capital requirements for the Company in both inventories and receivables.
With effect from financial year 2017-18, the Ministry of New and Renewable Energy has introduced an auction based market for wind energy. This will lead to competitive bidding, lower cost of power and hence a larger market for wind energy. The Government of India has set a target for renewable energy generation of 175 GW by 2022, of which 60 GW is expected to be achieved from wind power, as against the current capacity of 32 GW as of March 2017. Due to its inherent cost competitiveness, the Company expects to improve its market share in the wind energy market. The Company's expectation of a larger market and a larger market share for itself will increase the Company's requirements of long term working capital.

4) Effect of the proposed variation/alteration on the financial position of the company
The Company will be able to reduce finance cost by infusing this additional working capital and hence the interest cost saved on Rs. 1715.60 million would be the positive impact on the Statement of Profit & Loss. The cash flows of the Company would be improved by aforesaid interest saving amount.

5) Major Risk factors pertaining to the new Objects -The Company is of the opinion that there is no specific risk envisaged to the proposed utilization of Net Proceeds of IPO to fund long term working capital requirements of the Company.
However, the following general risks associated with the business, individually or together, but not limited to, could adversely affect our business, financial conditions, results of operations or prospects etc:

- i. Changes in government policies, regulatory actions and technological changes etc. that apply to or affect our business including developments affecting the Indian economy;
ii. We are substantially dependent on revenues from sales to Indian customers. Changes in or termination of policies of State Governments in India that encourage investment in power projects, including renewable energy projects, may have a material adverse effect on wind power projects and our business;
iii. Projects included in our order book may not ultimately be confirmed, may be modified or cancelled, or there may be delays in execution;
iv. Demand for our products and services depends on the activity and new capital expenditure levels in the wind power sector; and
v. Our operations are dependent on the timely supply of quality raw materials and components at commercially acceptable prices and we are dependent on a limited number of suppliers for key raw materials and components.

6) Names of Directors who voted against the proposed variation/alteration - None
Any interested person may obtain the copy of the Special Resolution along with the Explanatory Statement free of charge at the Registered Office of the Company or at the office of its Company Secretary Shri Deepak Banga at Inox Towers, Plot No. 17, Sector - 16A, Noida - 201301, Uttar Pradesh or visit the website of the Company viz. www.inoxwind.com for a copy of the same.

Plea challenges rules for tribunals

TRIBUNE NEWS SERVICE

CHANDIGARH, AUGUST 5 The Punjab and Haryana High Court has issued a notice to the Central Government on a petition challenging the recently notified rules for tribunals which allegedly undermine the independence of quasi-judicial bodies and place them under the Centre's control. The notice by Justice Mahesh Grover and Justice Raj Shekhar Attri came on a petition filed by Surinder Sheoran, former president of the Armed Forces Tribunal (AFT) Bar Association. He claimed that the rules were in contravention of the laws laid down by the Supreme Court and the High Court. Referring to the AFT, the petitioner said the Central Government had made a provision that the tribunal would func-

tion under the Ministry of Defence. The Defence Secretary would be part of the committee for recruiting, removing and re-appointing AFT members and also for holding an inquiry against them. Till now, an SC Judge would hold inquiries against the members. As per the new rules, the absence of a representative of the judiciary in the selection process would not make the appointments invalid. It was also stated that the Supreme Court had directed that the tenures for the tribunal members should be seven and five years, but the rules decreased it to four and three years.

The rules also introduced a clause wherein any person with experience in business, economics, commerce, finance, accountancy etc. could become an AFT member; while a similar clause was specifically struck down in a case.

Duleep Singh's kin moves court against filmmakers

Claims facts distorted | Delhi HC seeks reply in 4 weeks

GS PAUL TRIBUNE NEWS SERVICE

AMRITSAR, AUGUST 5 Alleging distortion of facts, city-based Damandeep Singh Sandhawalia has moved the Delhi High Court against the makers of Hollywood film "The Black Prince". Damandeep's ancestor Thakur Singh Sandhanwalia was a cousin of Maharaja Duleep Singh, on whose life the film is based. The HC has issued a notice to Brillstein Entertainment Partners, Firdaus Productions, Jasjeet Singh (executive producer) and Kavi Raj (director), seeking their response within four weeks. Damandeep, a software engineer, said Maharaja Duleep Singh had been portrayed as a weak, confused and depressed person, which was not true. He said Thakur Singh Sandhanwalia had been shown as an aide rather than a cousin of Maharaja Duleep Singh. "I had been associated with the production house of the film since December 2014 and provided them our personal family records, photographs, some records procured from the British Library in London and copyright information documents. We had asked them to show us the movie before releasing it. Though, they promised but later on they gave us a verbal assurance that true historical facts have been incorpo-

"We had asked the production house to show us the movie before releasing it. They promised it, but later they gave us a verbal assurance that true facts have been incorporated and nothing has been distorted. We believed them"
Damandeep Singh Sandhawalia, HIS ANCESTOR WAS A COUSIN OF DULEEP SINGH

rated and nothing has been distorted. We, too, relied on them."
When we watched the movie, we found that the movie does not truly depict the major part of the history regarding the government-in-exile led by Maharaja Duleep Singh from Russia and France, wherein he made Thakur Singh Sandhanwalia Prime Minister and second-in-command of the entire anti-British movement up to August 1887, besides other important facts. Similarly, Maharaja Duleep Singh's encounter with a beggar (a former

king) on a street is fictional," he said.
In the film, Maharaja Duleep Singh is shown getting a stroke and then he gets paralysed on seeing the blood-dripping sword. "This scene is completely fictional and defamatory to the son of the Lion of Punjab. Maharaja Duleep Singh was not a weak man who couldn't even bear the site of blood. "The shortcomings have done damage to our family's dignity, which compelled us to move court," Damandeep Singh Sandhawalia said.

Gangster, aide held near Khanna

KHANNA, AUGUST 5

A gangster and his aide were arrested near Khanna, the police said today. Khanna SSP Navjot Singh Mahal said Gagandeep Singh, alias Guni, of Bamala and his aide Irfan of Malerkotla belonged to the Ghudu gang of Sangrur. "They were going to attack their rival near Sangrur when they were nabbed," he said. On a tip-off, the police laid a barricade near Manupur village, the SSP said. On spotting two Swift cars coming from Khamano, the

police signalled the car drives to stop. They turned back, but the police nabbed the occupants of one car. Their accomplice, Pardeep Kumar of Ghanaur, in the other car fled. The police seized a pistol and 525-gm intoxicated powder from Gagandeep and Irfan. Mahal said, "Gagandeep is a proclaimed offender and is wanted in 22 cases of murder, robbery etc, while Irfan is wanted in five cases of robbery and brawl." — OC
