### Independent Auditors Review report on Standalone Unaudited Quarterly Financial Results of the Company pursuant to Regulations 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

**To the Board of Directors of  
Inox Wind Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **Inox Wind Limited** ("the Company") for the quarter and half year ended September 30, 2022 ("the Statement"), being submitted by the company pursuant to the requirement of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. **Emphasis of Matter**
  - a) We draw attention to Note 2 of the Statement which describes the management's assessment of the impact of the outbreak of Covid-19 on property plant & equipment, revenue, trade receivables, advances, investments and other assets. The management believes that no adjustments are required in the financial statements as there is no impact in the current financial year. However, in view of the highly uncertain economic environment and its likely effect on future revenues due to Covid-19, a definitive assessment of the impact on subsequent years depends on circumstances as they evolve.
  - b) We draw attention to Note 3 to the standalone financial results regarding the complete erosion of the net worth of Wind Four Renergy Private Limited ("WFRPL"), a wholly-owned subsidiary of Inox Green Energy Services Limited in which the company has outstanding Inter Corporate Loan amounting to Rs.5,933 Lakh as on September 30, 2022. For the reasons stated by the management in the note, the recoverability of investment is dependent on the performance of WFRPL over the foreseeable future and improvement in its operational performance and financial support from its holding company.
  - c) We draw attention to Note 4 of the Statement which describes that the Company have a system of obtaining periodic confirmation of balances from various parties (other than disputed parties). The External Balance Confirmations were sent to banks and parties and certain parties' balances

are subject to confirmation/reconciliation. Considering a large amount of outstanding advances and certain balance confirmation received from the parties, the IWL committee of the Board of Directors of operations in its meeting held on March 09, 2022, proposed 100% physical verification of the entire Property, Plant and Equipment / Inventory (together hereinafter referred to as "Assets") at all plant and locations of Company and its subsidiaries and same is under process as on date. Adjustments/restatement/impairment loss/provisions on advances, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact on the financial statement.

Our conclusion is not modified in respect of the above matters.

Considering that the Company is in the business of Manufacturing of Wind Turbine Generator which fall under the Renewable Energy sector being the priority sector, the management believes that the impact of this outbreak on the business and financial position of the Company will not be significant. The management does not see any risks in the Company's ability to continue as a going concern and meet its liabilities. The Company has used the principles of prudence in applying judgments, estimates and assumptions and based on the current estimates, the Company expects to recover the carrying amount of trade receivables including unbilled receivables, investments, inventories, and advances and other assets. Further, the Commissioning of WTGs and maintenance services against certain purchase/service contracts do not require any material adjustment on account of delays, if any considering disruption due to COVID-19. The eventual outcome of the impact of the global health pandemic may be different from those estimated on the date of approval of these financial statements. Due to the nature of the pandemic, the Company will continue to monitor developments to identify significant uncertainties in future periods, if any.

3. Inox Green Energy Services Limited (Formerly known as Inox Wind Infrastructure Services Limited) (a subsidiary of the Company) incorporated a wholly-owned subsidiary namely "Wind Four Renegy Private Limited" (WFRPL) for setting up of wind power project as awarded by Solar Energy Corporation of India (SECI). The Company has invested Rs.5,933 Lakh as at September 30, 2022 in the form of Inter Corporate Deposit for the execution of the project. In view of the management, the Company will be able to realise the money from WFRPL once the project will get commissioned and financial support from the Company.
4. The Company has a system of obtaining periodic confirmation of balances from banks, trade receivables/payables/advances to vendors and other parties (other than disputed parties). The balance confirmation letters as referred to in the Standard on Auditing (SA) 505 (Revised) 'External Confirmations', were sent to banks and parties and the party's balances are subject to confirmation/reconciliation. Considering a large number of outstanding advances and certain balance confirmation received from the parties, the IWL committee of the Board of Directors of operations in its meeting held on March 09, 2022, proposed 100% physical verification of the entire Property, Plant and Equipment / Inventory (together hereinafter referred to as "Assets") at all plant and locations of Company and its subsidiaries and same is under process as on date. Adjustments/restatement/impairment loss/provisions on advances, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact on the financial statement.
5. Due to unascertainable outcomes for pending litigation matters with Court/Appellate Authorities, the Company's management expects no material adjustments on the standalone financial statements.
6. The Company is engaged in the business of manufacturing Wind Turbine Generators ("WTG") and also provides related erection, procurement & commissioning (EPC) services, operations & maintenance (O&M) and common infrastructure facility services for WTGs and development of projects for wind farms, which is considered as a single business segment.

A faint circular stamp, likely a company seal, is visible in the background. Overlaid on it is a handwritten signature in black ink.

**Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**TO THE BOARD OF DIRECTORS OF  
INOX WIND LIMITED**

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of Inox Wind Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net loss after tax and total comprehensive loss of its associate for the quarter and half year ended September 30, 2022 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:-(Refer to Annexure 1)
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## 6. Emphasis of Matter

- a.) We draw attention to Note 3 of the Statement which describes the management's assessment of the impact of the outbreak of Covid-19 on property, plant and equipment, revenue, trade receivables, investments and other assets. The management believes that no adjustments are required in the financial statements as there is no impact on the current financial period. However, in view of the highly uncertain economic environment and its likely effect on future revenues due to Covid-19, a definitive assessment of the impact on subsequent years depends on circumstances as they evolve.
- b. We draw attention to Note 4 of the Statement which describes that the Group have a system of obtaining periodic confirmation of balances from various parties (other than disputed parties). The External Balance Confirmations were sent to banks and parties and certain parties' balances are subject to confirmation/reconciliation. Considering large amount of outstanding advances and certain balance confirmation received from the parties, the IWL committee of the Board of Directors of operations in its meeting held on March 09, 2022, proposed 100% physical verification of the entire Property, Plant and Equipment / Inventory (together hereinafter referred to as "Assets") at all plant and locations of Company and its subsidiaries and same is under process as on date. Adjustments/restatement/impairment loss/provisions on advances, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact on the financial statement.

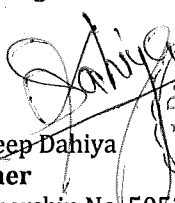

Our conclusion is not modified in respect of the above matter.

## 7. Other Matter

The statements does not include the Group's share for the quarter and half year ended September 30, 2022 in respect of 4 associates, whose financial statements have not been furnished to us. According to the information and explanations are given to us by the Management, these interim financial statements are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matters.
