Independent Auditors Review report on Standalone Unaudited Quarterly Financial Results of the Company pursuant to Regulations 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

**To the Board of Directors of
Inox Wind Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **Inox Wind Limited**("the Company") for the quarter and nine months ended December 31, 2023 ("the Statement"), being submitted by the company pursuant to the requirement of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above and subject to the possible effects of the matters described in paragraphs 4 below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 &52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note 3 to the statement regarding pending/disposed off litigation matters with Court/Appellate Authorities and the impact, if any is unascertainable.
5. **Emphasis of Matter**
 - a) We draw attention to Note 2 to the statement regarding invested funds in SPVs.
 - b) We draw attention to Note 7 of the statement, which states that the company adheres to the requirements of the Goods and Services Act ("GST Act") and "Chapter- XVII of the Income Tax Act, 1961 by maintaining proper documentation and information. However, the company currently has certain pending compliances including certain reconciliations. Management believes that there will be no significant impact on the statements.
 - c) We draw attention to Note 8 to the statement which describes that the supply/Commissioning of WTGs against certain contracts does not require any material adjustment on account of delays, if any.
 - d) Party balances in the form of trade receivables/payables/advances to vendors and other parties (other than disputed parties) are subject to confirmation/reconciliation. Adjustments, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact.

- e) The Company has written back the statutory liabilities of custom duties saved on import against expired EPCG licenses (including interest thereon) amounting to Rs.5,012Lakh based on the extension of expired EPCG licenses under consideration/granted. Due to unascertainable outcomes for licenses under consideration and the significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment, management believes that there will be no significant impact on the statements.

Our conclusion is not modified with respect to the above matters.
