To the Board of Directors of Inox Wind Limited

Opinion and Conclusion

We have (a) audited the Annual Standalone Financial Results for the year ended March 31, 2024 and (b) reviewed the Standalone Financial Results for the quarter ended March 31, 2024 (refer 'Other Matters' section below), which were subject to limited review by us, both included in the accompanying "Statement of Standalone Financial Results for the quarter and year ended March 31, 2024 of Inox Wind Limited ("the Company"), ("the statement"), being submitted by the company pursuant to the requirement of Regulation 33 & 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').

(a) Opinion on Annual Financial Results

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Annual Standalone Financial Results for the year ended March 31, 2024:

- a. are presented in accordance with the requirements of Regulations 33 & 52 of the Listing Regulations in this regard; and
- b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net loss, other comprehensive income and other financial information of the company for the year ended.

(b) Conclusion on Unaudited Standalone Financial Results for the quarter ended March 31, 2024

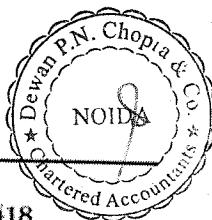

With respect to the Standalone Financial Results for the quarter ended March 31, 2024, based on our review conducted as stated in paragraph (b) of Auditor's Responsibilities section below, nothing has come to our attention that causes us to believe that the Standalone Financial Results for the quarter ended March 31, 2024, prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Conclusion and Opinion on the Standalone Financial Results for the Quarter and year ended March 31, 2024

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those standards are further described in paragraph (a) of the Auditor's Responsibilities section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended March 31, 2024 under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

1. We draw attention to Note 2 to the statement regarding invested funds in 6 SPVs.

57-H, Connaught Circus, New Delhi - 110 001, India Phones : +91-11-23322359/1418
Email: dpnccp@dpncindia.com

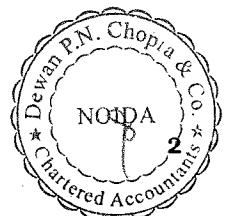

2. We draw attention to Note 3 To the statement regarding pending litigation matters with Court/Appellate Authorities. Due to the significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment which is being technical in nature, the management is of the opinion that the company will succeed in the appeal and there will not be any material impact on the statements on account of probable liability vis-à-vis the provisions already created in the books.
3. We draw attention to Note 5 to the statement regarding reimbursement of loss of investment in step down subsidiary namely Wind Four Renergy Private Limited incurred by the Inox Green Energy Services Limited (subsidiary company).
4. We draw attention to Note 8 of the statement, which states that the company has a system of maintenance of information and documents as required by Goods and Services Act ("GST Act") and "chapter-xvii" of the Income Tax Act, 1961. Due to the pending filling of certain GST/TDS/TCS returns, the necessary reconciliation related to statutory balances is pending to determine whether all transactions have been duly recorded/reported with the statutory authorities. Adjustments, if any, arising while filing the GST/TDS Return shall be accounted for as and when the return is filed for the current financial year. However, the management is of the opinion that the aforesaid return filing will not have any material impact on the financial statements.
5. Party balances in the form of trade receivables/payables/advances to vendors and other parties (other than disputed parties) are subject to confirmation/reconciliation. Adjustments, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact.
6. We draw attention to Note 9 to the statement which describes that the supply/Commissioning of WTGs/operation and maintenance services against certain contracts does not require any material adjustment on account of delays/machine availability, if any.
7. The Company has written back the statutory liabilities of custom duties saved on import against expired EPCG licenses (including interest thereon) amounting to Rs.5,012 Lakh based on the extension of expired EPCG licenses under consideration/granted. Due to unascertainable outcomes for licenses under consideration and the significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment, management believes that there will be no significant impact on the statements.
8. Regarding recognition of sale of supply of 3 MW Power Booster Mode 3.3 MW Model amounting to Rs. 39,030 Lakh is recognised based on Provisional Type certificate valid upto May 20, 2024 issued by Ministry of New and Renewable Energy (MNRE), Government of India.

Our report is not modified in respect of the above matters.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities

(a) Audit of the Annual Standalone Financial Results for the year ended March 31, 2024

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2024 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

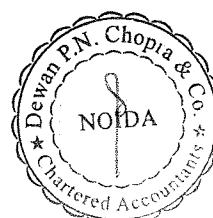

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulations 33 & 52 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the annual standalone financial results that, individually or in the aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (I) planning the scope of our audit work and in evaluating the results of our work; (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2024

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2024 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

1. The Statement includes the results for the quarter ended March 31, 2024 and March 31, 2023 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited figures for the quarter ended December 31, 2023 and December 31, 2022 respectively which was subject to limited review by us.
2. The statutory audit was conducted via making arrangements to provide requisite documents/ information through an electronic medium. The Company has made available the following information/ records/ documents/ explanations to us through e-mail and remote secure network of the Company:-
 - a) Scanned copies of necessary records/documents deeds, certificates and the related records made available electronically through e-mail or remote secure network of the Company; and
 - b) By way of enquiries through video conferencing, dialogues and discussions over the phone, e-mails and similar communication channels.

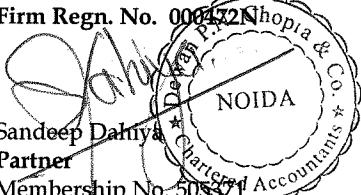

It has also been represented by the management that the data and information provided electronically for the purpose of our audit are correct, complete, reliable and are directly generated from the accounting system of the Company, extracted from the records and files, without any further manual modifications so as to maintain its integrity, authenticity, readability and completeness. In addition, based on our review of the various internal audit reports/inspection reports (as applicable), nothing has come to our knowledge that makes us believe that such an audit procedure would not be adequate.

Our report is not modified in respect of above matters.

STATEMENT OF STANDALONE AUDITED FINANCIAL RESULTS FOR THE QUARTER AND YEAR ENDED 31 MARCH, 2024

Notes:

1. The Standalone Financial Results for the quarter and year ended March 31, 2024 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on May 03, 2024. The Standalone Financial Results are prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013.
2. The Company incorporated 6 wholly-owned subsidiaries (hereafter referred to as SPVs), through a request for selection (RFs) process under the Solar Energy Corporation of India (SECI) to set up wind farm projects. The company invested funds in the SPVs through Inter-Corporate deposits for project execution, amounting to Rs. 1,004 Lakh, and also provided bank guarantees of Rs. 5,578 Lakh. The management believes that once the projects are commissioned and subject to pending regulatory matters and operational performance improvement, the company will be able to recover the funds from the SPVs and release the bank guarantees. However, as at March 31, 2024, the SPVs' project completion date had expired and applications for extensions are pending with regulators. In annual general meeting held on September 29, 2023 & September 29, 2023 of the Company and (GESL) subsidiary company respectively approves that if the group is unable to recover the funds provided as Inter-Corporate deposits and Bank Guarantee from the SPVs, the holding company will bear the costs.
3. Due to uncertainable outcomes for pending litigation matters with Court/Appellate Authorities and significance of the balance to the financial statements as a whole and the involvement of estimates and judgement in the assessment which is being technical in nature, the management is of the opinion that the company will succeed in the appeals and there will not be any material impact on the statements on account of probable liability vis-à-vis the provisions already created in the books.
4. The Company is engaged in below mentioned business activities, which is considered as a single business segment:
 - a.Manufacturing of Wind Turbine Generators (WTG);
 - b.Erection, procurement & commissioning services (EPC);
 - c.Operations & Maintenance services (O&M); and
 - d.Common infrastructure facility services for WTGs
5. During the period/year, the Company, as decided vide Board of Directors resolution dated February 10, 2023 and as approved by shareholders in annual general meeting held on 29 September, 2023 being related party transactions, has bear the losses of investment in subsidiary amounting to Rs.2,591 Lakh.
