

PRESS RELEASE

Inox Wind secures repeat order for 210 MW for its 3 MW WTGs from Hero Future Energies

- **Equipment supply order for 210 MW along with certain add-on services, a repeat order from Hero Future Energies**
- **Post commissioning multi-year O&M services to be part of the contract**
- **Project to be executed in South India**

Noida, April 19, 2024: Inox Wind Limited (IWL), India's leading wind energy solutions provider, has bagged an order for the supply of 210 MW of Wind Turbine Generators (WTGs) from Hero Future Energies (HFE), one of the leading renewable energy players in India. The order is for IWL's state-of-the-art 3 MW Wind Turbine Generators (WTGs), and the scope comprises of equipment supply with certain add-on services. Additionally, Inox Wind will also provide post commissioning multi-year operations & maintenance (O&M) services. The WTGs will be supplied to HFE from Q3 FY25 onwards and will be installed in South India.

Commenting on the occasion, **Mr. Kailash Tarachandani, CEO of Inox Wind**, said, "We are thrilled to announce a large repeat order of 210 MW from Hero Future Energies, a longstanding partner. This order reinforces the confidence on our 3MW WTGs, being one of the most efficient turbines in its class. The addition of this order further re-emphasizes our growth outlook."

ABOUT INOX WIND:
