

PRESS RELEASE

Inox Wind bags 51 MW order from Everrenew

- **Receives 51 MW equipment supply order from Everrenew for its 3 MW class WTGs**
- **Project to be executed in Tamil Nadu**

Noida, August 13, 2024: Inox Wind Limited (IWL), India's leading wind energy solutions provider, has bagged an order for 51 MW from Everrenew Energy Private Ltd, a leading C&I player. This is an equipment supply order for IWL's latest 3 MW Wind Turbine Generators (WTGs). Additionally, Inox Wind will provide post commissioning multi-year operations & maintenance (O&M) services. The project will be executed in the state of Tamil Nadu.

Commenting on the occasion, **Mr. Kailash Tarachandani, CEO of Inox Wind**, said, "We are pleased to receive a 51MW order from Everrenew, an esteemed customer with whom we aim to build a mutually fruitful partnership going ahead. We are glad to witness the strong preference for our turbines and services by project developers and we continue to make our contribution as India surges ahead to achieve its renewable capacity targets."

Mr. R. Venkatesh, CEO, Everrenew Energy Private Ltd., said, "At Everrenew, we are committed to address the ever-growing power demands of our customers through our sustainable renewable power solutions. Our collaboration with Inox Wind will help us deliver on our project commitments as we aim to drive the adoption of renewable energy in the C&I segment and assist companies in their energy transition journey over the coming years."

ABOUT INOX WIND:

Inox Wind Limited (IWL) is India's leading wind energy solutions provider servicing IPPs, Utilities, PSUs & Corporate investors. IWL is a part of the US\$ ~ 8 BN INOXGFL Group which has a legacy of over nine decades and is primarily focused on two business verticals - chemicals and renewable energy.
